

8 WAYS TO PREVENT CAR-THEFT

1

Keep your vehicle locked at all times, even while driving.

2

Always take your keys when you park your car, never leave them inside.

3

Avoid leaving your car running and unattended.

4

Avoid leaving valuables title in the car.

5

Do not leave your vehicle title in the car.

6

Use anti-theft devices for added security.

7

Always park your vehicle in a well-lighted area at night.

8

Make sure you to get an ownership certificate when buying a used vehicle.
