6. Importance of disclosure that I should be aware of?

• Consumer Insurance Contract

Pursuant to Paragraph 5 of Schedule 9 of the Financial Services Act 2013, if you are applying for this insurance wholly for purposes unrelated to your trade, business or profession, you have a duty to take reasonable care not to make a misrepresentation in answering the questions in the Proposal Form (or when you apply for this insurance). You must answer the questions fully and accurately.

Failure to take reasonable care in answering the questions may result in avoidance of your contract of insurance, refusal or reduction of your claim(s), change of terms or termination of your contract of insurance.

The above duty of disclosure shall continue until the time your contract of insurance is entered into, varied or renewed with us.

In addition to answering the questions in the Proposal Form (or when you apply for this insurance), you are required to disclose any other matter that you know to be relevant to our decision in accepting the risks and determining the rates and terms to be applied.

You also have a duty to tell us immediately if at any time after your contract of insurance has been entered into, varied or renewed with us any of the information given in the Proposal Form (or when you applied for this insurance) is inaccurate or has changed.

• Non-Consumer Insurance Contract

Pursuant to Paragraph 4(1) of Schedule 9 of the Financial Services Act 2013, if you are applying for this insurance for a purpose related to your trade, business or profession, you have a duty to disclose any matter that you know to be relevant to our decision in accepting the risks and determining the rates and terms to be applied and any matter a reasonable person in the circumstances could be expected to know to be relevant, otherwise it may result in avoidance of your contract of insurance, refusal or reduction of your claim(s), change of terms or termination of your contract of insurance.

The above duty of disclosure shall continue until the time your contract of insurance is entered into, varied or renewed with us.

You also have a duty to tell us immediately if at any time after your contract of insurance has been entered into, varied or renewed with us any of the information given in the Proposal Form (or when you applied for this insurance) is inaccurate or has changed.

7. At what value should I insure my vehicle?

You need to insure your vehicle based on the market value of your vehicle at the point you apply for the motor insurance policy. This value is also called Sum Insured of your vehicle in your motor policy.

8. What will happen if I under insure my vehicle?

You will be deemed as self-insured for the difference, i.e. in the event of loss or damage, you will be partially compensated (up to the proportion of insurance) by the insurance company.

9. What will happen if I over insure my vehicle?

If you insure your vehicle at a higher sum insured than market value, the maximum compensation you will receive is the market value of the vehicle, as you cannot "profit" from a motor insurance claim.

10. What are the major exclusions under this policy?

This policy does not cover certain losses such as

- i) Your own death or bodily injury due to a motor accident;
- ii) Your liability against claims from passengers in your vehicle; and
- iii) Loss, damage or liability arising from act of nature, i.e. flood, storm or landslide.
- iv) Consequential losses, depreciation, wear and tear, mechanical or electrical breakdown failures or breakages

Note: This list is non-exhaustive. Please refer to the sample policy contract for the full list of exclusions under this policy.

11. Can I cancel my policy?

You may cancel the policy at any time by giving a written notice to Your insurance company. Upon cancellation, you are entitled to a refund of the premium based on short period rates, where any minimum premium paid under the policy is not refundable.
