Section 5: No Claim Discount

This section spells out the reward system known as the 'No Claim Discount'.

1. No Claim Discount (NCD)

If **you** have insured **your vehicle** for a continuous period of 12 months and **you** or anyone else did not make any claim under this **policy** during that period, a NCD will be applied at each renewal. This applicable NCD will increase with each renewal if **you** continue to have claim free years as follows:

Claim free year of insurance	NCD entitlement
After 1 continuous claim free year	25%
After 2 continuous claim free years	30%
After 3 continuous claim free years	38 1/3%

After 5 continuous claim free years and beyond	55%

2. One Claim and Your NCD is Down to Zero

If **you** or anybody else meets with an **incident** which will give rise to a claim on this **policy**, the NCD entitlement that **you** have accumulated would drop to zero at the next renewal and **your** NCD will start all over again. If a claim arising as a result of an **incident** prior to the latest NCD is intimated to **us, we** will be entitled to recover the NCD given to **you**.

3. Your NCD is Not Transferable

The NCD is personal to **you** which means that if **you** were to sell **your vehicle** and **we** agree to transfer this **policy** to the new owner, **your** NCD cannot be transferred as a benefit to the new owner.

4. NCD Withdrawal

During the **period of insurance**, if **you** wish to withdraw the NCD from this **policy**, **you** may need to pay **us** an additional premium to reimburse the NCD that **you** have already received under this **policy**.

5. Non-Utilisation of NCD

For every year that the NCD is not utilised by **you**, the NCD accumulated and applicable to this **policy** will be reversed in accordance with the scale set out in the table in clause 1 under this section as shown above.

Section 6: General Conditions and Your Responsibilities

1. General Conditions

The general conditions set out in this section shall apply to all cover under **your policy**.

1. Reference to motor vehicle Market Valuation System

This refers to the motor vehicle **Market Valuation System** approved by Persatuan Insurans Am Malaysia (PIAM) to determine the **sum insured** of **your vehicle** at the time **you** purchased/renewed this **policy** as well as the **market value** of **your vehicle** at the time of the loss.

When a claim is made, the **market value** of **your vehicle** would be determined by the ISM Automotive Business Intelligence System and this value would be accepted as the cost of purchasing a replacement vehicle of the same make, model and age of **your vehicle** at the time of loss.

If no **market value** is available from the ISM Automotive Business Intelligence System for **your vehicle**, the **market value** of the vehicle would be determined by an **Adjuster**, agreed to by both **you** and **us**.

The valuation done by the ISM Automotive Business Intelligence System or **Adjuster** will be conclusive evidence in respect of the **market value** of **your vehicle** in any legal proceedings against **us**.

2. Hire purchase

In the event **your vehicle** is under a hire purchase agreement with the hire purchase company named in the **schedule** as the owners, **you** unconditionally agree that the payment of any claim under fire, explosion, lightning, burglary, housebreaking or theft of this **policy** by **us** by way of a cash payment shall be made to the owners as long as they remain as the owner of **your vehicle** at the time of **incident**. The receipt from the owners will fully discharge **us** from any further claims or liability in respect of such loss or damage. For all other purposes, **you** are the principal party under this **policy** and **not** an agent or trustee of the owners and that **you** have **not** assigned **your** rights, benefits and claims under this **policy** to the owners. **You** cannot assign **your** rights, benefits and claims under this **policy** to anybody without **our** written consent. However, any payment of claim under **at fault** collision or overturning in Section 1(1) of this **policy** will be paid directly to **you**.

3. Employers' loan

In the event **your vehicle** was purchased under an employer's loan agreement, **you** unconditionally agree that the payment of any claim under fire, explosion, lightning, burglary, housebreaking or theft of this **policy** by **us** by way of cash payment shall be made to the employer named in the **schedule** as long as the loan remains outstanding at the time of the **incident** giving rise to a claim. The receipt from the employer will fully discharge **us** from any further claims or liability in respect of the **incident**. However, any payment of claim under **at fault** collision or overturning in Section 1(1) of this **policy** will be paid directly to **you**.

4. Leasing agreement

In the event **your vehicle** is under a leasing agreement with the leasing company named in the **schedule** as the lessors, **you** unconditionally agree that the payment of any claim under fire, explosion, lightning, burglary, housebreaking or theft of this **policy** by **us** by way of a cash payment shall be made to the lessors as long as the leasing agreement remains valid at the time of the **incident**. The receipt from the lessors will fully discharge **us** from any further claims or liability in respect of such loss or damage. For all other purposes, **you** are the principal party under this **policy** and **not** as an agent or trustee for the lessors and **you** have **not** assigned **your** rights, benefits and claims under this **policy** to the lessors. **You** cannot assign **your** rights, benefits and claims under this **policy** without **our** written consent. For more details about dispute resolution, **you** may refer to **Section 9: Other information you need to know** of this **policy**.

<p>Step 6</p>	<p>Excess</p> <p>To settle your claim, you shall pay any excesses that apply.</p>

2. What We Pay For

If **we** agree to pay **your** claim and depending on **your policy** coverage, then **we** will:

- decide whether to repair **your vehicle** or pay **you** in cash for the damage to **your vehicle** up to RM5,000 per **incident** in the event of **at fault** collision
- decide whether to repair **your vehicle**, or pay **you** in cash for the damage to **your vehicle**, or pay **you** the **market value** on a **total loss** basis, or reinstate or replace **your vehicle** with one of the same make, model, age and general condition in the event of fire, explosion, lightning, burglary, housebreaking or theft
- pay for any death of, bodily injury or property damage to any third party and legal costs that **you** are legally liable for
- pay for any optional cover **you** have added to **your policy**
- deduct any amounts that apply to **your policy** e.g. **excess**.

3. Maximum Amount We May Pay

- RM5,000 per **incident** in the event of:
 - **at fault** accidental collision or overturning
 - **at fault** collision or overturning caused by mechanical breakdown
 - **at fault** collision or overturning caused by wear and tear
- the **market value** of **your vehicle** shown in **your schedule** in the event of fire, explosion, lightning, burglary, housebreaking or theft **incident**
- for liability to third parties, **we** will pay the following for any one claim, or series of claims arising from one **incident**, in any one **period of insurance**:
 - up to a maximum of RM3 million for loss of or damage to third party's property
 - the amount and legal costs awarded for death or bodily injury
 - legal costs incurred up to a maximum of RM2,000 to defend **you** or **your authorised driver** for any traffic offence provided always that such costs are incurred in Malaysia, the Republic of Singapore or Negara Brunei Darussalam, and these costs have been incurred with **our** written agreement
- for optional cover under Section 4 of this **policy**, the most **we** will pay is up to the maximum **sum insured** or amount that applies under each benefit.

4. How We Settle Your Claim

We reserve the option to settle **your** claim through any of these ways as **we** deem fit and appropriate:

1. Repair your vehicle

We will arrange for **our** approved **repairer** to repair **your vehicle** and pay the cost necessarily incurred to restore **your vehicle** to its pre-accident condition (or as near its pre-accident condition) as is reasonably possible.

Your vehicle must be taken to **our** approved **repairer** so that **we** can inspect **your vehicle** before giving approval to proceed with the repairs or take reasonable action to safeguard **your vehicle** from further loss or damage. Failure to take **your vehicle** to **our** approved **repairer** would be a breach and **we** may repudiate cover under Section 1 of this **policy**.

2. Pay you in cash for the damage to your vehicle

We reserve the option to pay **you** in cash for the cost of repairs to **your vehicle**. **We** will assess the damage to **your vehicle** to determine the cost of repairs and pay **you** in cash.

3. Pay your claim on a total loss basis

We reserve the option to do this when:

- **we** consider the damage to **your vehicle** is so severe that it would not be safe or economical to repair **your vehicle** in an **incident** of fire, explosion or lightning. **We** will declare **your vehicle** as a **total loss** ('beyond economical repair'); or
- **your vehicle** has been stolen and not recovered.

If **your vehicle** is rightfully owned by someone else e.g. under a hire purchase company, **your** employer or leasing company and the legal owner is named in **your policy**, **we** may pay the claim for **total loss** directly to the named legal owner. The receipt from the hire purchase company, **your** employer or **your** leasing company will fully discharge **us** from any further claims or liability in respect to the loss or damage to **your vehicle**.

4. Reinstate or replace your vehicle

We may opt to reinstate or replace **your vehicle** with one of the same make, model, age and general condition in an **incident** of fire, explosion, lightning, burglary, housebreaking or theft. If **we** replace **your vehicle**, this **policy** will be automatically terminated once **we** make payment.

*In cases where the valuation of the franchise-holder vary from **market value** by more than 10%, **we** would also have the option to offer a settlement value which is equal to the cost of purchasing a replacement vehicle of the same make, model and age of **the vehicle** at the time of loss. It is **our** option to offer **you** a replacement of **the vehicle**, should **you** not agree with the offer.*

The clauses below are applicable to Section 8(4)(1,2,3 and 4) when **we** are settling **your** claim:

Market value

If **your vehicle** is 'beyond economical repair' or stolen and not recovered, the amount payable under this **policy** will be the **market value** of **your vehicle** at the time of the loss or the **sum insured** as shown in the **schedule**, whichever sum is the lesser.

Under-insurance

If the **sum insured** of **your vehicle** is less than the **market value** at the time of loss, **we** will only bear part of the loss in proportion to the difference between the **market value** and the **sum insured** as shown in the formula below:

$$\frac{\text{sum insured}}{\text{market value}} \times \text{assessed loss}$$

The balance has to be borne by **you**. However, this will only apply if the under-insured amount is more than 10% of the **market value**.

5. Pay for any death of or bodily injury to any third party and legal costs that you are legally liable for

We may pay for any claim arising out of the liability which may be incurred by **you** or **your authorised driver** for any death of, or bodily injury to any person caused by or arising out of the use of **your vehicle**.

We will decide whether to negotiate, defend or settle, in **your** name, **your authorised driver's** name and/or on **your** behalf, any claims made against **you** or **your authorised driver** by any other person. If in **our** assessment, the third party claim made against **you** or **your authorised driver** for property damage will exceed the limit of liability of RM3 million, **we** will pay the full amount of **our** liability to **you** or the third party and hand over the further conduct of any defence, settlement or proceeding to **you** completely. After doing so, **we** will not be liable under this **policy** to make any more payments to **you** or any claimant or any other person arising from the same **incident**.

*The conditions above also apply to anyone else who wishes to claim under the terms and conditions of this **policy**. "Anyone else" may refer to personal representative or administrator/estate of the policyholder.*

5. What Happens to Your Vehicle

1. Recovered vehicles

If **we** settle **your** claim as a stolen vehicle which is later recovered, then **we** will assume the ownership of **your** recovered vehicle.

2. Damaged vehicles

- if **we** settle **your** claim for a damaged item in **your vehicle**, then it becomes **our** property unless **we** let **you** retain ownership of it
- if **we** settle **your** claim on a **total loss** basis, **we** will assume the ownership of **the vehicle**.

6. Parts Used to Repair Your Vehicle

1. Replacement parts

If the spare parts or **accessories** required to repair **your vehicle** are not available in Malaysia, or if **we** choose to pay for any loss or damage in cash, **we** will settle **your** claim based on the following basis:

- the last known parts price list issued in Malaysia by the manufacturer or their agent. If the price list in Malaysia does not exist, **we** will use the price at the manufacturer's production plant and include reasonable cost of transportation to Malaysia (but not the cost of air freight); and
- the reasonable labour cost of fitting such spare parts or **accessories** in Malaysia.

2. Betterment

If new original parts are used to repair **your vehicle** as a result of which **your vehicle** is in a better condition than it was before the damage, **you** would be required to contribute to its betterment; a proportion of the costs of such new original parts. **Your** contribution would be according to the following scale:

Age of vehicle/years	Rate of betterment
Less than 5 years	0%
5	15%
6	20%
7	25%
8	30%
9	35%
10 and above	40%

To determine the rate of betterment to be applied, the age of **your vehicle** will be calculated based on how it was originally registered in Malaysia:

as a locally assembled vehicle	date of original registration
as a new imported Completely Built Unit (CBU) vehicle	year of manufacturer
as an imported second-hand / used / reconditioned vehicle	year of manufacturer

7. Undamaged Areas

We will not authorise repair to the undamaged areas of **your vehicle** to create a uniform appearance e.g. if the **incident** causes damage to the right panel, then **we** will only pay to re-spray the right panel. **We** will not pay the cost to re-spray the rest of **the vehicle**.

Section 9: Other Information You Need to Know

1. Changes You Can Make

You may choose to make a change to **your policy** or decide to cancel it.

2. You change your contact details

If **you** change **your** contact details e.g. mailing address, contact number etc., then **you** must tell **us** immediately in writing to enable **us** to update **our** records and send **you** the **policy documents** to **your** nominated address. **We** will send all **policy documents** to the address in **our** records and the documents will be deemed to have been received by **you**.

3. You may opt to cancel your policy

- **you** may opt to cancel **your policy** when **you** sell **your vehicle** or **you** no longer require **your policy**
- **you** may cancel this **policy** at any time by returning the **Certificate of Insurance (CI)** to **us** or if **you** have lost **your CI**, **you** must provide **us** with a duly certified Statutory Declaration (SD) to confirm this
- after returning the **CI** or SD, **you** will be entitled to a refund of premium if no claim was incurred prior to cancellation. **Your** refund will be the difference between the total premium and **our** customary short-period rates calculated for the time **we** were on risk until the date **we** received the **CI** or SD:

Period of insurance	Refund of premium
Not exceeding 1 week	87.5% of the total premium
Not exceeding 1 month	75.0% of the total premium
Not exceeding 2 months	62.5% of the total premium
Not exceeding 3 months	50.0% of the total premium
Not exceeding 4 months	37.5% of the total premium
Not exceeding 6 months	25.0% of the total premium
Not exceeding 8 months	12.5% of the total premium
Exceeding 8 months	No refund of premium allowed

- the **policy** will automatically lapse once **you** sell or dispose off **your vehicle** because **your** insurable interest in **the vehicle** will cease. If **you** want to transfer the **policy** to the new buyer, **you** have to get **our** prior consent.

2. Changes We Can Make

1. We cancel your policy

- **we** may also cancel this **policy** by giving **you** fourteen (14) days' notice in writing by registered post to **your** last known address in **our** records
- after returning **CI** or SD, **we** will refund the premium for the unexpired period calculated on a pro-rate basis from the date **we** receive the **CI** or SD from **you** to the expiry date of the **policy**.

For clauses 1(3) and 2(1) under this section as shown above, there will be no refund of premium for any cancellation of **policy** (either by **you** or by **us**) if **you** have paid the **minimum premium** only or if a claim has been made on this **policy**.

3. Important Notice
