

CLAIMS BULLETIN

2ND EDITION 2025

Which is better in insuring your vehicle value?

In case of total loss, the payout will match this agreed value, eliminating the risk of under-insuring or over-insuring.

Market value reflects the vehicle's worth at the time.

As the car's value depreciates over months, there's a risk of under-insuring.

Make an informed decision for peace of mind. Call our hotline and press #2 for sales inquiries.
